

# INSPIRING WOMEN

## from Córdoba and Aragón

PLAY WITH US!

and test what you know about these outstanding women

- There are four questions about each woman.
- Choose one of the characters and answer the four questions. Decide which is the correct answer for each question (“a” or “b”) and remember the sequence for the four answers (for example: a, b, b, c).
- Notice the name of the village written at the bottom of the page.
- Then, use the **GREEN BOARD** underneath and follow the path with the sequence of your answers. You will land on one village from Bajo Aragón or from Córdoba. If that village is the same as the one written at the bottom of the page, you were right. Try again if you made a mistake.
